

Community Engagement Key Function Committee

**October 9, 2009
12:45 – 1:00 p.m.**

Brief Overview of CE KFC

❖ Goals:

- Establish, disseminate, and implement best practices in engaging with local communities
- Develop standard outcomes and metrics for community engaged research
- Develop and implement educational curricula for researchers, practitioners and community members in principles and methods of community engagement

❖ Members/Structure

- Over 150 representatives from NIH Institutes, NCRR, CTSA's, other federal agencies
- Five work groups
 - ♦ Educational Competencies
 - ♦ Resource Development
 - ♦ Community Partners Integration
 - ♦ Scholarship and Engagement
 - ♦ Outcomes

(two workgroups have completed their tasks)

❖ Milestones

- Two administrative supplements
 - ♦ Consultative Service
 - ♦ PRIMER
- Educational competencies developed and integrated with Education KFC
- R13 funded for a national community engagement conference

Next Steps

- ❖ Continue to engage with new CTSA sites and partners
- ❖ Accelerate development and dissemination of best practices, including standard outcomes, metrics, and educational curricula
