

**CTSA Consortium
Management Group
October 9, 2009**

**Anne Willoughby
Kameha Kidd**

The CMG Path

▶ **Initiation**

- Suggestion by the CTSA PIs - CTSA consortium would significantly benefit by increased focus, attention and investment in consortium operations and communications

▶ **Timeline of events**

- **April 2009**, NCRRT initiated an NCRRT CTSA Operations Management Team (OMT)
- **June 23-24**, The OMT coordinates a CTSA consortium operations meeting
 - Identified set of five recommendation areas
 - NCRRT/Consortium teams for each of the five recommendation areas begin developing proposals

The CMG Path

▶ Timeline of events continued

- **August 21**, Consolidated Recommendations received by NCRP from the Administrators – including recommendation to form the Consortium Management Group, or CMG
- **August 28**, NCRP announces the process for nominating CTSA administrators to serve as 1 of 5, 20% time positions on the CMG
- **September 15**, Administrator nomination period closes
- **September 24**, NCRP announces the five selected nominees
 - 1) Tesheia Johnson, Yale (Class of 2006)
 - 2) Tom Fogg, Rochester (Class of 2006)
 - 3) Becky Moen, Duke (Class of 2006)
 - 4) Bushra Rehman, U Chicago (Class of 2007)
 - 5) Nick Gaich, Stanford (Class of 2008)

The CMG Path

▶ Timeline of events continued

- **September 23**, Dr. Alving provided response and feedback to the Consolidated Recommendations
- **Currently**, Beginning implementation of the plan
