

National Institutes of Health (NIH) Workshop:
Behavioral and Social Sciences Training, Education and Career Development in the Clinical
and Translational Science Awards Program

May 11, 2010 | Parklawn Building, 5600 Fishers Lane, Rockville, Maryland

Agenda

- 12:00 pm – 12:30 pm **Registration and Pre-Meeting with Faculty** (Conference Room D)
- 12:30 pm – 12:40 pm **Welcome from the Organizers**
Paul R. Marantz, MD, MPH
Einstein-Montefiore Institute for Clinical and Translational Research
Donna Jo McCloskey, PhD
National Center for Research Resources, National Institutes of Health (NIH)
Lynn A. Bosco, MD, MPH
Office of Behavioral and Social Sciences Research, NIH
- 12:40 pm – 12:55 pm **The Office of Behavioral and Social Sciences Research: A Resource for Clinical and Translational Science Research**
Deborah H. Olster, PhD
Office of Behavioral and Social Sciences Research, NIH
- 12:55 pm – 1:40 pm **Panel: Existing Models for Education, Training and Career Development in the Behavioral and Social Sciences**
Moderator:
Donna Jo McCloskey, PhD
National Center for Research Resources, NIH

Bringing Behavioral and Social Sciences into a Community Engagement Core: A Preliminary Report
Nancy M. Bennett, MD, MS
Clinical and Translational Science Institute, University of Rochester

What a Social Scientist Brings to a CTSA: A Personal Perspective
Carolyn Leung Rubin, EdD, MA
Tufts Clinical Translational Science Institute

Enhancing Behavioral and Social Sciences in Medical School Education: Experience with an OBSSR-Sponsored K07 Program
Paul R. Marantz, MD, MPH
Einstein-Montefiore Institute for Clinical and Translational Research

1:40 pm – 2:00 pm **Introduction to the Small Group Discussion: Education and Training of CTSA Investigators in the Behavioral and Social Sciences**

Moderator:

Paul R. Marantz, MD, MPH

Einstein-Montefiore Institute for Clinical and Translational Research

Small Group Discussions

2:00 pm – 2:10 pm **Transition to Small Group Discussions - See Room Assignments Handout**
(Conference Room D & Room E)

2:10 pm – 3:05 pm **First Small Group Session**

3:05 pm – 3:15pm **Transition - Moderators Only**

3:15 pm – 4:10pm **Second Small Group Session**

Small Group Discussion 1: Education, Training and Career Development of Behavioral and Social Science Investigators within CTSA: Who? What? How?

Moderator:

Bonnie Spring, PhD, ABPP

Northwestern University Clinical and Translation Sciences Institute

Note Takers:

Barbara Moquin, PhD, APRN, BC-P

National Heart, Lung and Blood Institute, NIH

Helen Meissner, ScM, PhD

Office of Behavioral and Social Sciences Research, NIH

Small Group Discussion 2: Educating the Clinical and Translational Scientist in the Behavioral and Social Sciences: Why? What? How?

Moderator:

Lucy Savitz, PhD, MBA

University of Utah, Center for Clinical and Translational Sciences

Note Takers:

Bradford Hesse, PhD

National Cancer Institute, NIH

Christopher Gordon, PhD

National Institute of Mental Health, NIH

4:10 pm – 4:30 pm

Break

Group Leaders and Note Takers Meet to Summarize Breakout Sessions

4:30 pm – 5:30 pm

Reporting Back: Summarizing Priorities, Next Steps (Conference Room D)
