

R-13 Support for Conference and Scientific Meeting Grant

- Due date: August 12, 2009
- First supported meeting: Spring 2011
- Letter of intent: 6 weeks prior to due date – July 1, 2009
- Purpose
 - Support high quality scientific meetings
 - To coordinate, exchange, and disseminate information
 - To explore a defined subject or area of knowledge

R-13 Support for Conference and Scientific Meeting Grant

- Duration: Up to 5 years
- Conference plan: (10 pages)
 - Objectives
 - Specific program
 - Logistical arrangements
 - Topics to be covered (x 5 years)
 - Justification for the conference
 - Organizing committee (CC-CHOC)
 - Representation of minorities/women/people with disabilities
- What I need:
 - 3-5 people to volunteer to help with the grant

Future PAS Meetings

- 2009 configuration
 - One Symposium
 - Two CTSA Abstract Sessions
 - Ethical Challenges in Pediatric Biobanks Session
- 2010-2014
 - What topics are of interest?
 - Symposia vs. abstract oral presentations vs. poster sessions
 - Award for junior faculty? Fellows? Students?
 - Should we create a “Sessions by Track” for CTSA?
 - In 2009, listed under Translational Research
